Broadway Court Estates has partnered up with Wishing Star for many years. Wishing Star grants wishes to children with terminal life threatening or medically complicated conditions. Out tenants enjoy making warm fleece blankies each month for the children. A child receives a blanket when they are hospitalized or when they get a wish granted. This holiday season the children and their families came to Broadway Court Estates to decorate gingerbread houses and cookies with out tenants. It was so special to see the interaction and joy with the children and tenants. Many special smiles were shared. We had an amazing, busy December. Christmas entertainment included students from pre-schools, middle and high schools, dance studios, an orchestra, a jazz band, a bell choir, and the Singing Nuns. More highlights include our Family Christmas Party with children crafting, decorating cookies, enjoying a Magic Show, and sitting on Santa's lap. We hope your holidays were blessed and filled with joy. Happy New Year! We look forward to many activities and outings in 2020.

HAPPY 2020! I want to wish everyone a Healthy and Happy New Year! Our tenants are busy enjoying all of the wonderful activities planned for January, instead of shoveling the snow. Living at Broadway Court Estates affords our tenants more time to form lasting friendships, while participating in the many wonderful outings and activities. If you are thinking of hanging up the snow shovels, call or come by and schedule a time to join us for lunch or dinner and see for yourself the fun that is in store for you.
