## Broadway Court Estates Tenant Profile Corner (509) 921-0249 www.broadwaycourtestates.com

Joe and Irene Van Winkle are "Tenants of the Month" for May. Joe was born in Merced, California. Joe had 3 brothers and 1 sister. Irene was born in

Portland, Oregon. Irene had 1 brother and 4 sisters. Joe was in the Coast Guard in Tillamook Bay, Oregon. Irene was in the Army in Fort Hood, Texas. Before moving to BCE, Joe and Irene lived in St. Helens, Oregon for 48 years. They have been married for 51 years and have 2 children, Troy and Jae. Joe's occupation was Millwright in a paper mill and Irene was a craft person and housewife. Joe's special interest was fishing. They are lifetime members and volunteers at the Moose Lodge. We traveled in the West to the Grand Canyon, Yosemite, Yellow Stone, Disneyland, and Sea World. Joe said, "What we like about BCE is the friendliness of everyone here."

## BROADWAY COURT ESTATES

The perfect place to hang your hat.

13505 East Broadway Ave.  
Spokane Valley, WA 99216

If mothers were flowers,  
I'd pick you!

**BROADWAY COURT ESTATES**

The perfect place to hang your hat.

**May 2020 Issue 219**

**RETIREMENT LIVING  
WITH AFFORDABLE ELEGANCE  
"TOP HAT AND TALES"**

**Thursday, May 7th our staff will deliver a Mother's Day salad luncheon with dessert and a glass of wine to all our lady tenant apartments. Next year we hope to have our Annual Mother's Day with Daughters Luncheon.**

**We are having a Mother's Day Celebration on May 9th at 10:30am. Ladies invite your daughters, granddaughters, aunts, nieces, daughter-in-laws, and girlfriends. Family and friends will decorate their cars and join us to celebrate with a Parking Lot Car Parade and live music. Tenants will join you from their balconies and patios. Spread the word and look for our invitation in your mail!**

**Saturday, May 9th each lady tenant will receive flowers and a card delivered to their apartments.**

Tenants enjoyed parking lot traveling sing-a-long music shows with Kim and Kevin, and Ed and Emilie Miller while they cheered from their patios and balconies.

Just a couple of months ago we were all running around with our crazy hectic, busy lives. One of the most valued lesson we all learned during Covid-19 is family. Another lesson is to also enjoy an easy life style, cooking at home, playing a board game, taking a walk, exercising, reading, studying, going for a bike ride, doing chores around the house, and working in our yards. In some ways it feels great to slow down and count our blessings. Our community has really come together during this pandemic. Americans are stepping up helping neighbors, families and friends. They are also supporting local restaurants with take out orders, supporting small business, and local food banks. We are praising and recognizing all of our frontline professionals who are making a difference everyday. We thank the doctors, nurses, caregivers, firemen, policeman, ambulance response teams, and all the professionals who care for the elderly. We are all in this together and we will get through this together. I feel like I recently met a hero, his name is Bill Schuler. Bill works at a local pharmacy. When Covid-19 had the first outbreak, he quickly began to see the need for facial masks. He realized the shortage of mask supplies. Bill and his wife made a few masks and then they decided to volunteer their time and made a donation to start "Mask for Spokane Health". He teamed up with Kathy Doer from the "American Sewing Guild Inland NW Chapter". She organized volunteers to sew masks. Local material stores joined in the efforts donating material, elastic, and thread. All of the masks were taken to the Spokane Fire Department Station #8. They were all washed and put on a list for those in need of masks. Steve Jones and Brian Turper, both from the Fire Station, helped delivery the masks to Nursing Homes, Care Centers, Retirement Centers, Assisted Living Facilities, and others organizations in need of masks. Broadway Court Estates received 140 masks. All of our tenants got one and are so thankful. It's becoming the "New Normal" wearing a mask. When Brian first started this task he hoped to make around 1,000 masks. In just 4 weeks they have made around 20,000. They have enough supplies to make 2,000 more. The Grand Total will be 22,000. BCE donated \$250.00 to keep this project moving along. Thank you Bill and all your helping angels who made this possible.

Cindy Christoferson - Activity Director

### The Broadway Court Estates Difference

This year "The Merry Month of May" might prove to be more meaningful than ever before! This season of sheltering in place will hopefully be lifting soon. We all look forward, in the coming weeks, to daily routines slowly getting back to normal.

I really want to give praise to all our wonderful tenants at Broadway Court Estates. You have been incredibly patient and kind to one another as you have been sheltering in place. It is because of all of you and your diligence that, so far, we have all remained healthy and safe. Your families have been tireless in their efforts to help keep us safe during this challenging time. Your families will forever have a special place in all of our hearts for what they have done for our moms, dads, aunts, uncles, and grandparents. Families have been the "Super Glue" in the midst of all of this craziness. Especially shopping, hunting down, and standing in line to find the elusive rolls of toilet paper!

This sheltering in place has all been a Big Sacrifice for everyone but will prove a bigger reward for us all. We want to thank you.

Jodi Silva-Marketing Director

Let's all remember that none of us would be here in this world without are wonderful loving mothers. Happy Mother's Day Moms!

### How to clean cloth face masks

Face coverings can be made out of cloth, factory made or hand sewn or improvised using bandannas, scarves, T-shirts, sweatshirts or towels.

- The material should cover the nose and mouth.
- Ideally, face coverings should be washed after each use. Dirty masks should be placed in a dedicated laundry bag or bin.
- Use detergent and hot water when washing cloth masks and dry them on a hot cycle.
- Be sure your mask is comfortable. You don't want to have to keep adjusting the mask because that means touching your face.
- Wash your hands or use hand sanitizer before and after touching your face or face coverings.
- If you must wear your cloth face covering again before washing it, wash your hands immediately after putting it back on and avoid touching your face.
