Broadway Court Estates Tenant Profile Corner

(509) 921-0249 www.broadwaycourtestates.com

Sharon Sanders is our April "Tenant of the Month". Sharon was born in Iowa then moved to Roseville, California when she was 12. She has 2 brothers and 2 sisters. She married her husband Hurbert in 1956. They have 5 children. They were all born in different hospitals, in different cities and states, because of transfers by the Marine Corp. Her husband was a career

Marine and often gone on deployments from a few weeks to 13 months. He retired in 1974 to work civilian jobs. Her husband passed away in 1990. Sharon was a stay-at-home mom until her kids were old enough to take care of themselves. Sharon did a lot of volunteering and worked some retail. Her favorite charity is Bible Study Fellowship where she volunteered in their children's department. She sent gently used bibles to Christian Resource International, Beanie Babies to Samaritan's Purse Shoe Box Project, and bought new toys for Toys-for-Tots. Sharon moved to Spokane to be closer to her family. She has traveled to Alaska to visit her daughter in-law's family. She has 6 grandchildren and 4 great grandchildren. In her spare time, she used to garden a very large piece of land. She would like to start finding and sending gently used bibles to Christian Resource International again once the pandemic is over. She is enjoying BCE and is looking forward to doing the activities that were done prior to the pandemic.

Happy St.
Patrick's Day!

CELEBRATING 20 YEARS

April 2021 Issue 230

RETIREMENT LIVING WITH AFFORDABLE ELEGANCE

St. Patrick's Day Celebrations

Tuesday, March 16th, Chris Ellenberger sang his favorite Irish songs and Brandon, a bag piper, played Irish music.

Wednesday, March 17th, "T-N-T" Terry and Tom McKay sang beautiful Irish music. For lunch the kitchen staff made Irish stew, soda bread, and green beer. For dinner the tenants were treated to corn beef, cabbage, potatoes, and carrots. The activities staff went Irish with festive green shirts that read "Shenanigan Coordinator". Janet made the shirts for the "Activity Trio" who are always full of daily shenanigans!

Broadway Court Estate's COVID19 Vaccine Clinic

With great effort from our health care community and our staff, we are able to set up a COVID 19 vaccination site in our facility.

Hart and Dilatush Pharmacy sent their team to facilitate the vaccination process for our tenants and staff. We owe them a big "Thank You", along with Lifestage, for making this connection and facilitating our vaccinations.

The health and welfare of our community is our number one priority!

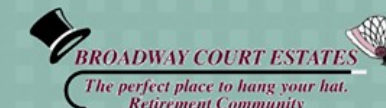

From the bottom of our hearts
THANK YOU!

Hart & Dilatush Pharmacy

&

Lifestage

because of you, we were able to get a COVID-19 Vaccination Clinic set up for our community. We are forever grateful for you!

Easter is upon us and we are feeling very blessed!! We are looking ahead to next year's Easter celebrations with an Easter egg hunt, pony rides, petting zoo, balloon clown and our annual Easter Family Brunch.

During this holy week let us give thanks that our tenants and staff all stayed healthy during the worst part of the COVID19 Pandemic. Wearing a mask and safe distancing have kept our community safe. We can proudly say that we have not had an outbreak of the virus. Our caution has paid off. We are hopeful with the vaccine we can start to add a few more events to our activity calendar and families can visit soon.

We are looking forward to warmer weather to start gardening and enjoy outside events, such as concerts, our famous BBQ's and picnics. The longer days, blue skies, and sunshine are a warm welcome. The grass is already turning green and the trees are beginning to bloom. Soon we will see Daffodils, Iris and Lilies begin to bloom. Enjoy April and watch for some new activities on your calendar. Stay Active!

Cindy Christoferson—Activities Director

Spring

The winner of our Healthy Heart Contest is:

Dee Proff

She attended 74 classes.

9—Circuit Gym	7—Strength and Balance
5—Open Swim	23—Sit and Be Fit

COMING SOON

As we see the rest of our tenants and employees complete their vaccinations in early April, we are eager to adopt a new policy that allows friends and family to safely come visit. Once we refine what exactly that policy looks like, we will surely be communicating the news to all our tenants and families! As of now, May 1st will be the date that we aim for to start the new phase of opening our facility to the community. Many are eager and we are too. The safety of our tenants and staff come first and foremost. One year ago we were forced to change the way we interact, socialize, eat, and live within our community. As time continues to go on, we will continue to slowly open up and come up with creative ways to begin to accommodate family visits! Have a safe and healthy April!
